Requesting sanction of Government to the resolution of the District Board in the matter of securing half the toll revenue that is levied by the District Board of Tumkur or permitting this Board to open a toll-gate on the Mysore side of the frontier on the Maddur-Tumkur Road.

Sir,

I have the honour to state that the District Board of Tumkur (1) is levying toll near Nidasalu bridge on the Maddur-Tumkur Road on all incoming and outgoing traffic. A portion of this road (2) Viz. 10 miles in length runs in this District and has at present a mileage allotment of Rs.200 per mile. It is frequently being brought to notice that the traffic on this road is very heavy (3) that the present mileage allotment is inadequate for its proper up-keep and that special attention is needed for keeping the road in a better condition.

The matter was placed before the District Board at their meeting held on the 12th September 25 when it was resolved that the (4) Board requests that Government to secure half the toll from the Tumkur District Board or to permit this Board to open a toll-gate on the Mysore Side of the frontier subject to the conditions that payment of toll at one gate will free the traffic of payment at the other on the same day.

In enclosing an extract from the proceedings of the District Board, I have the honour to request that sanction of Government

may be kindly obtained for the Board's resolution.

I have the honour to be,

Sir,

Sir,

With reference to your letter No. L2892/L.B.49-25-2 dated the 22nd October 1925 calling for the resolution of this District Board in the matter of the Mysore District Board getting half the total revemue levied by this District Board at the toll-gate near Nidasale bridge on the Maddur-Tumkur Road, or permitting that Board to open a toll-gate on Mysore side on the frontier of the said road &c, I have the honour to state that as desired the matter was placed before the Board at their meeting held on 22nd December 1925. The Board considered the subject at great length and passed an unanimous resolution to the effect that the Mysore District Board can neither be allowed to get any share of the proceeds of this toll-gate, nor be permitted to open a toll-gate on the small bit of road maintained by them, as was decided by Government in their Order No L.8983-L.B. 71-24-13 dated the 23rd June 1925 (copy herein enclosed for reference) In the case of the claim of this District Board for a share of the proceeds of Karehalli toll-gate established by the Hassan District Board on the Tiptur- Chennarayapatna Road. A copy of the resolution passed in detail is also herein enclosed as desired.

Sir,

With reference to your letter No. G.C. 888/24925, dated 12th May 1925, in regard to the apportionment of the income from tolls levied by t the Hassan District Board at Harehalli on the Chennarayapatna - Tiptur road between the Hassn and Tumkur District Boards , I am directed to observe that each District Board must establish its own tolls and that having regard to the fact that 21 out of 27 miles of the Chennarayapatna-Tiptur Road are situated in the Hassam District and a toll has already been established on the road it may not be possible for the Tumkur District Board to establish a toll on this road ant to state that in these circumstances the proposals of the District Board to apportion the income from the toll-gate in question cannot be approved.

Sir,

With reference to your letter No.L.5603/L.B.49-25-4 dated the 10th February 26 requesting to be furnished with certain particulars in the matter of securing half the toll revenue from the Tumkur District Board, I have the honour to state that the total length of the road from Maddur to Kunigal is 31 miles and 2 furlongs and that the length of this road within the limits of the Mysore District is 13.4 miles. It is frequently complained that the traffic on this road is very heavy, that its present condition is not satisfactory and that the proper up-keep of the road is very necessary. Correspondence ending with letter No. C. 2305/24-25. L B dated 2-3-26 from the Presidt. Bd of Mysore - submitting for sanction the Resolution of the Bd to be authorised to receive half the cost required by the Tumkur Dt Bd from the Municipality Near Nidasale in Pavagada Taluk.

Order Thereon No. The Madhugiri-Tumkur Road or at the alternative to open a Dist. Rd. from the Mysore side a portion of the round till a portion of said Road about 10 miles in length lies in the Mysore Dt entailing a mileage allotment of Rs. per mile.

Order No 6289-41

The Pennukonda Municipality and the Madakasira Panchayat Union Board have agreed to the alignment proposed by the Mysore Board, on the ground that a similar claim raised by the former Board for the share of the proceeds of the Kanchalli toll gate established by the Hassan Board on the Periapatna-Channarayapatna Road was rejected by Government. In considering the claim preferred in the Pennukonda Municipality it was noted that out of the total length of 27 miles of the Periapatna-Channarayapatna Road 21 miles lay in the Hassan District only a small portion of 6 miles running in the Pennukonda Municipality and the present petitioners have drawn the Board's attention to the fact that out of the total length of 31 miles 2 furlongs of the Road, 13.4 miles lay in the limits of the Mysore District and that the traffic in the Mysore portion is very heavy, necessitating better attention and more money for repairs and maintenance to keep it in good repair.

Government consider that there is force in the contention of the Mysore Board and are pleased to authorise them to open a toll gate temporarily on the road in question for a period of one year from the present on the 10 mile stone from Pennukonda on the Hyderabad side of the boundary between the Pennukonda Municipality and the Madakasira Panchayat Union Board, subject to the condition that the payment of toll
